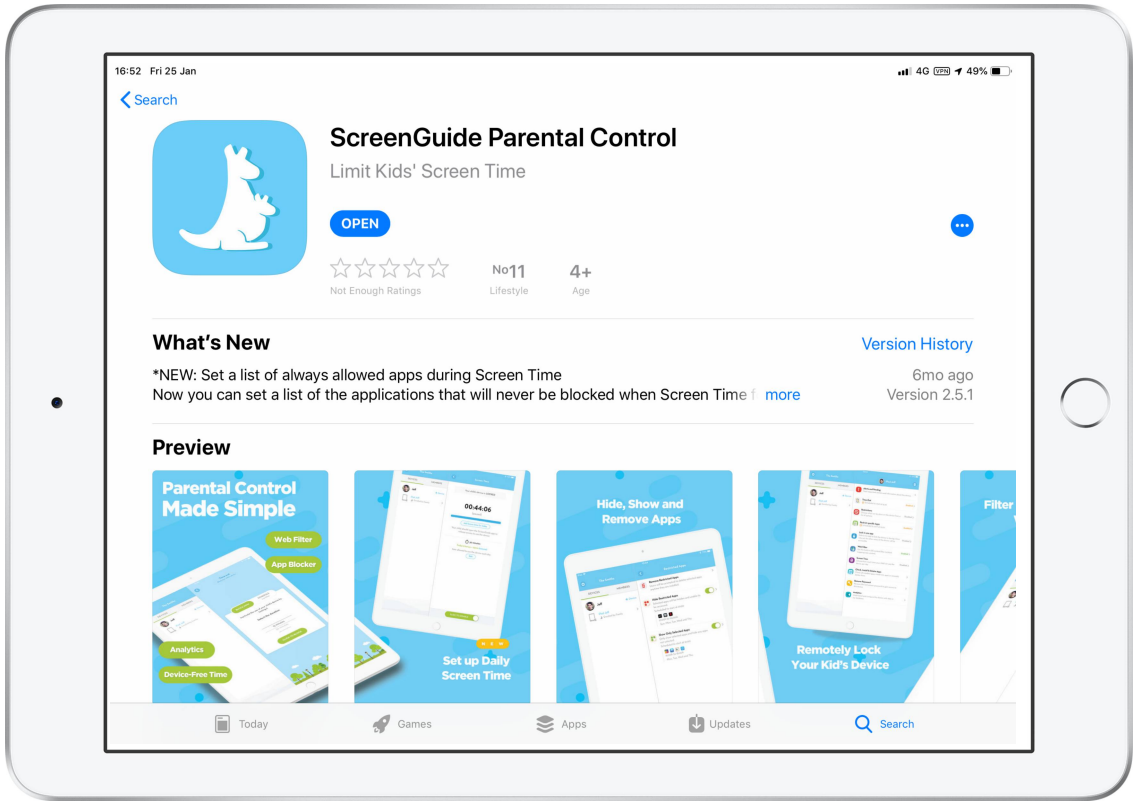
Mosyle Manager

Managing your child's iPad from your personal smart phone

Agenda

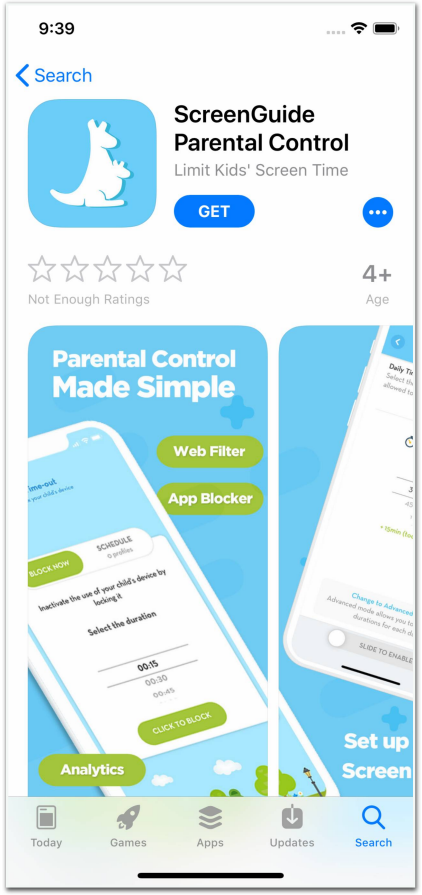
- How to link your personal phone to your child's iPad
- How to use Screen Guide to support your child's iPad learning

On the Parent's device, install ScreenGuide

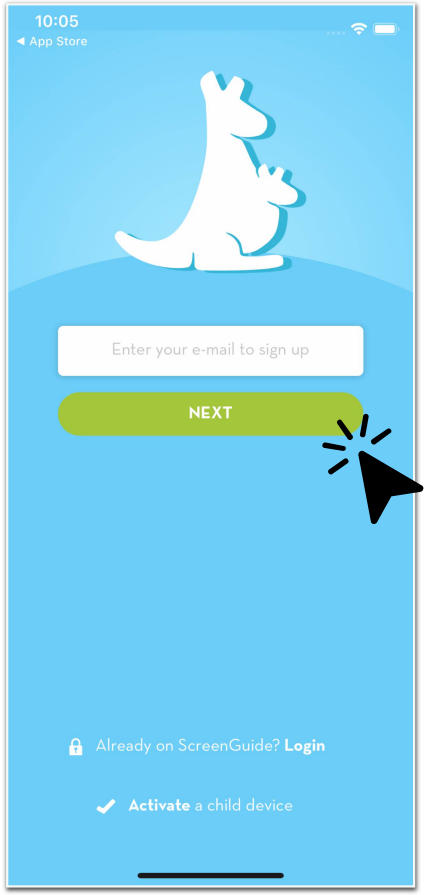


On Parent's device, install Screen Guide

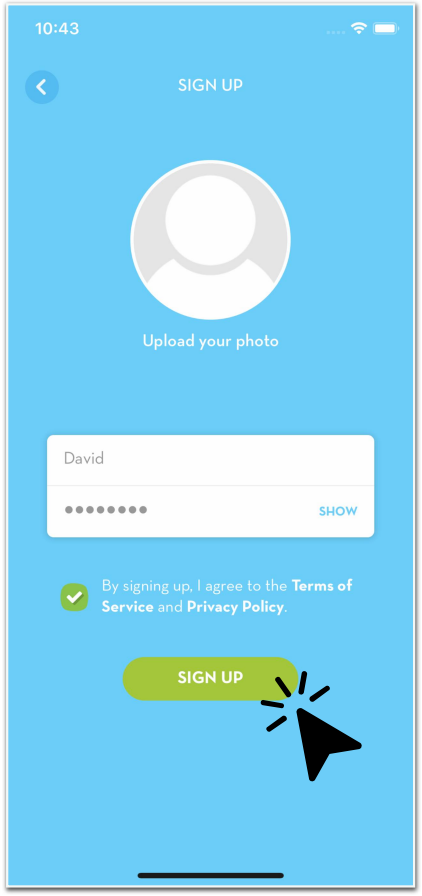
Available on Google Play Store



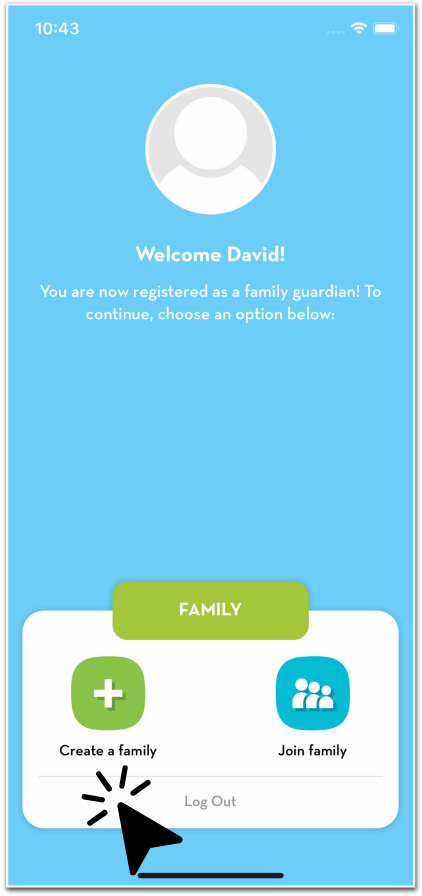
Enter your email to create your account



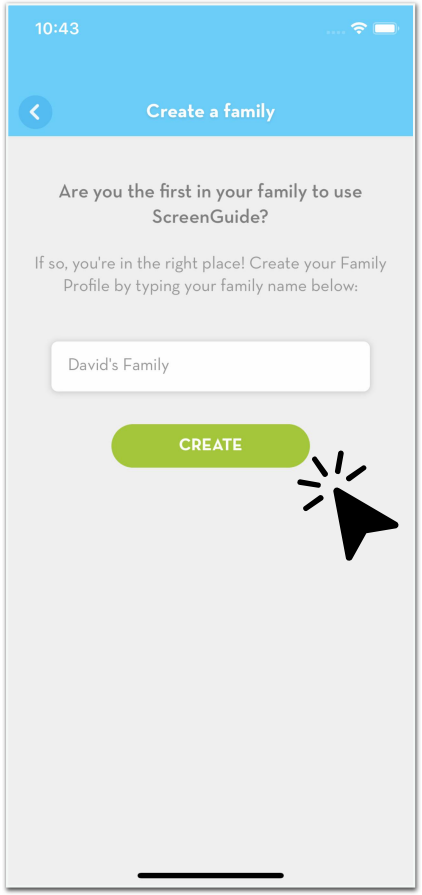
Fill up your account info and tap “Sign Up”



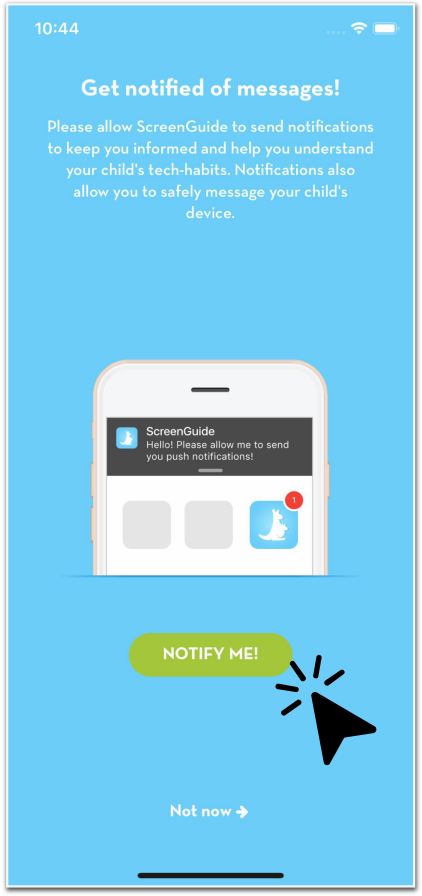
Tap “Create a family” to continue



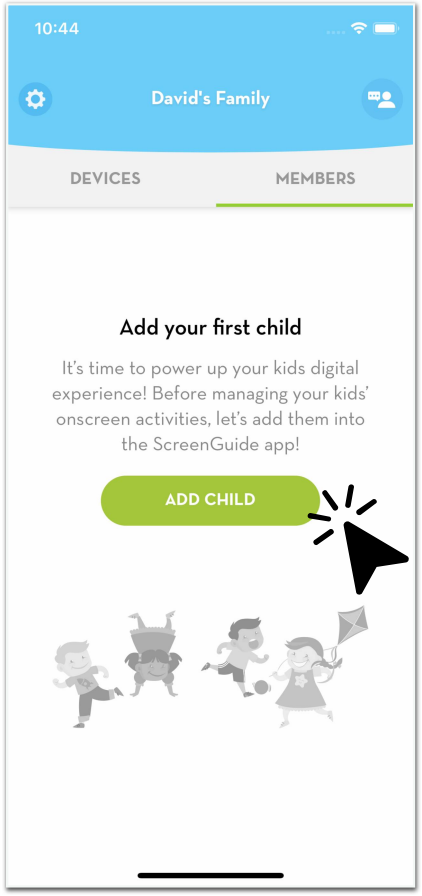
Type your family name and tap “Create”



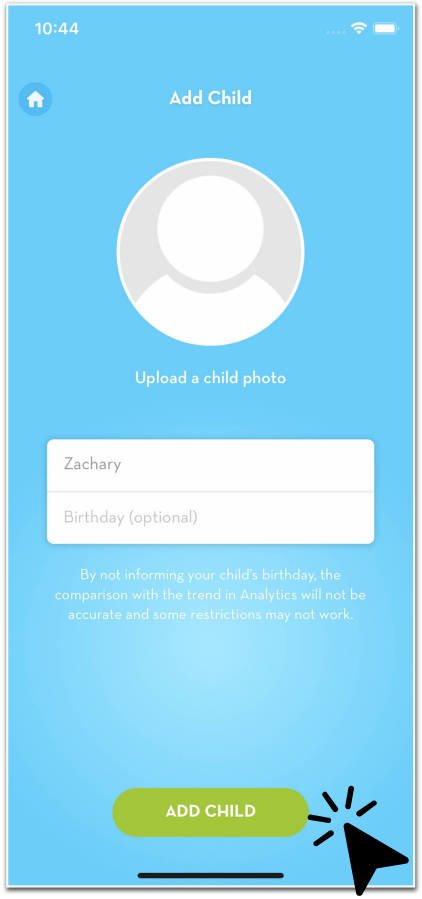
Tap “Notify Me” to allow notifications or “Not now” to skip



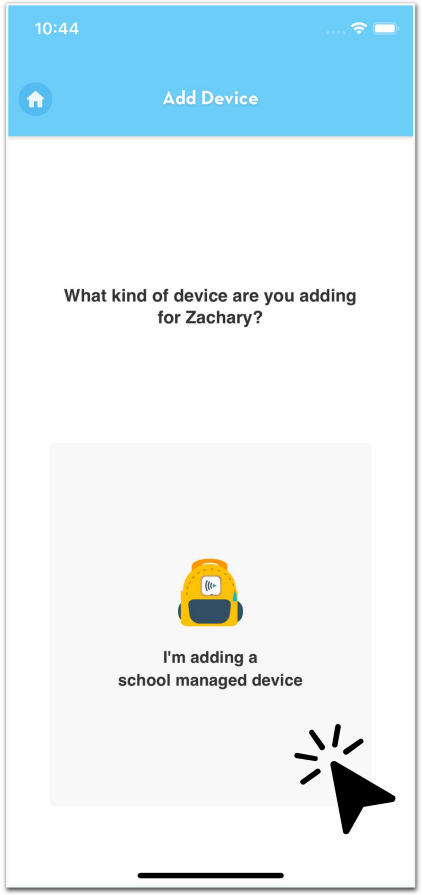
Next, add your child to your account



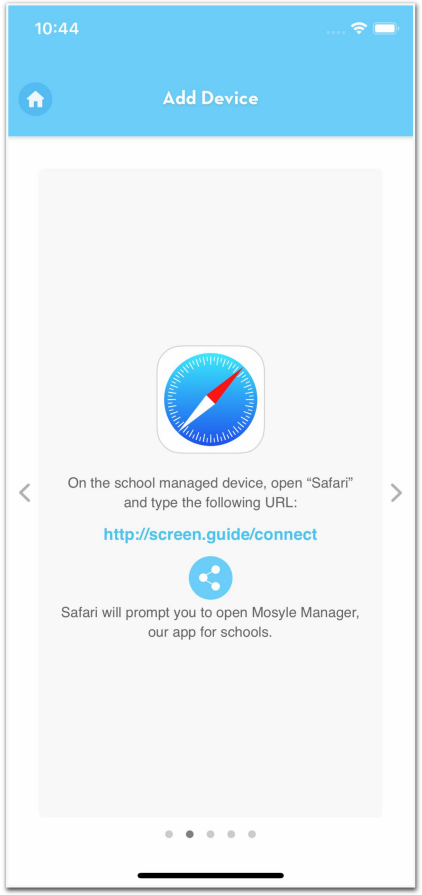
Next, add your child to your account



Select “I’m adding a school managed device”



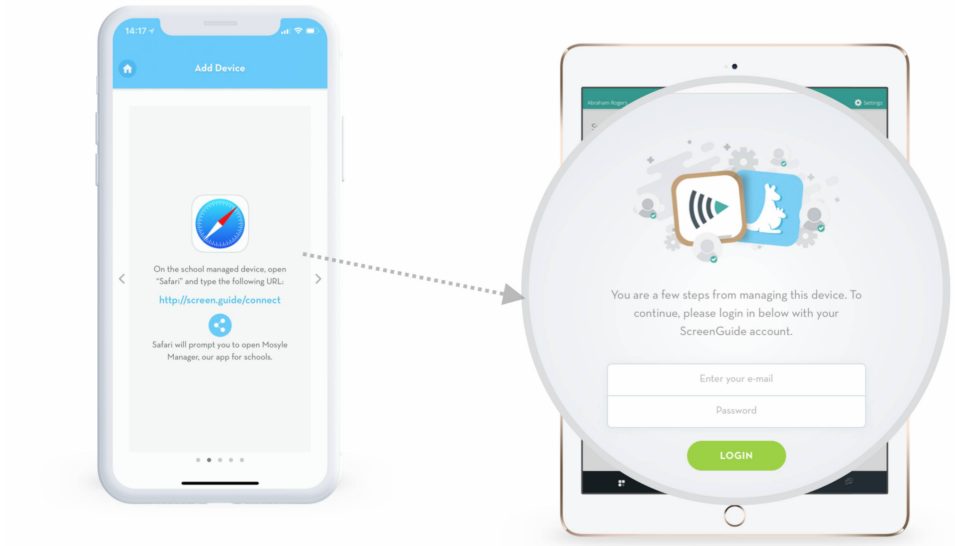
Pause here and go to your child's iPad to continue



On the student's device, use Safari browser

Using the browser on your child's device, access the highlighted blue link.

You will be redirected to the Mosyle Manager app - enter your ScreenGuide login credentials:

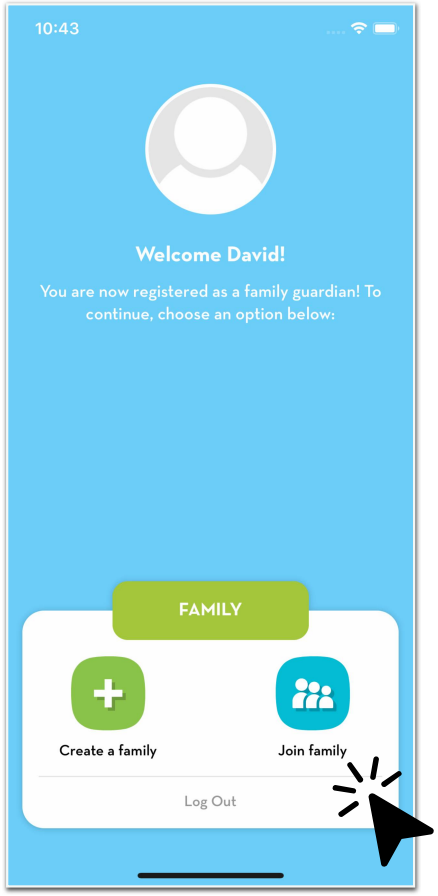


6192E

http://screen.guide/connect

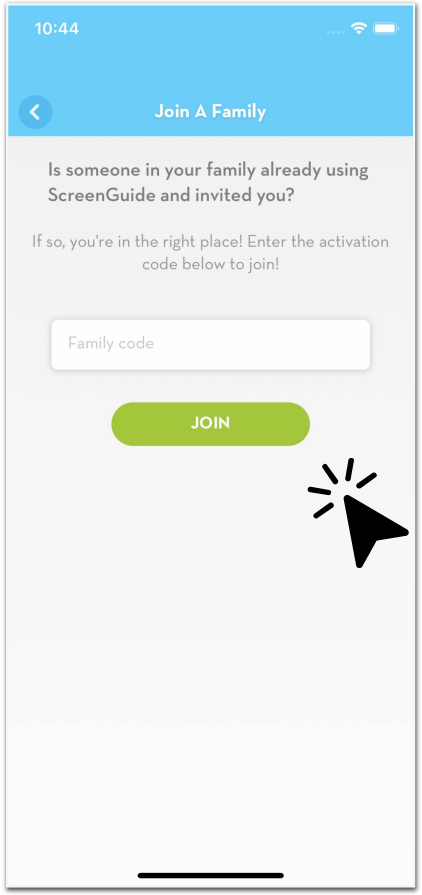
Adding 2nd parent to existing family

For 2nd parent joining an existing family, download Screen Guide and follow the same steps.

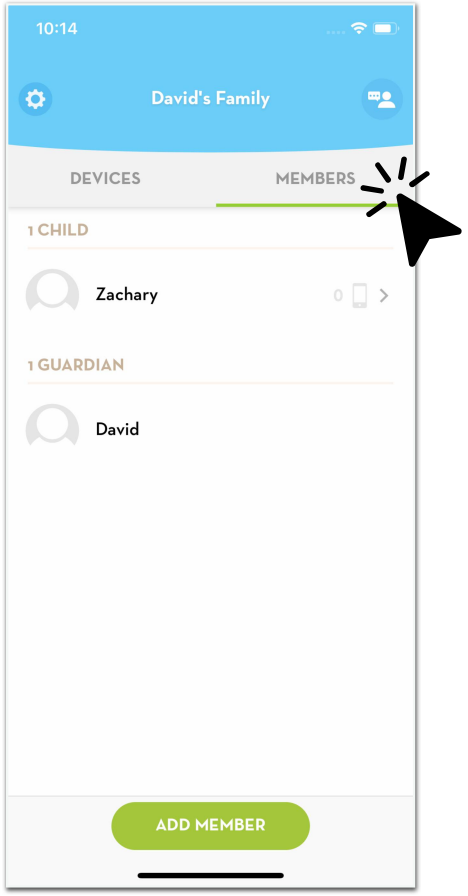


But tap “Join Family” instead

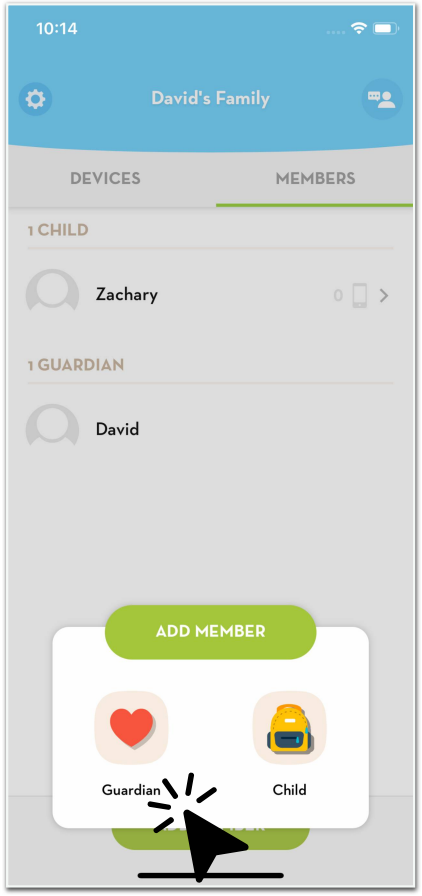
Pause here and sit down next to the 1st Parent



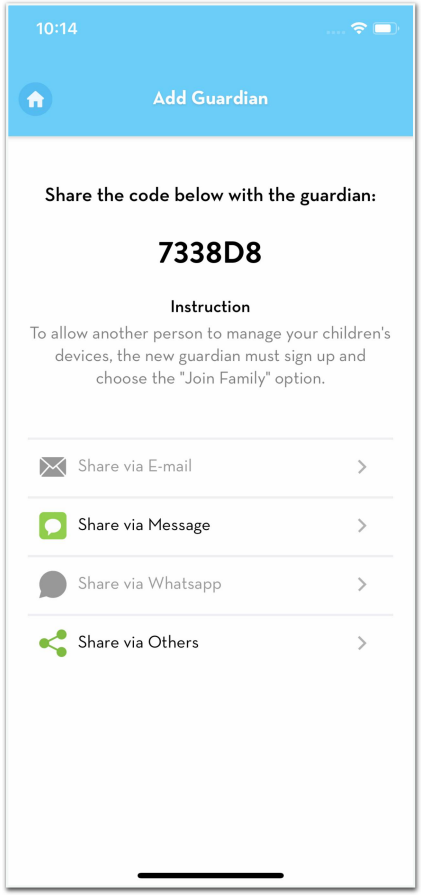
On 1st Parent's Screen Guide app, go to "Members" and tap "Add Member"



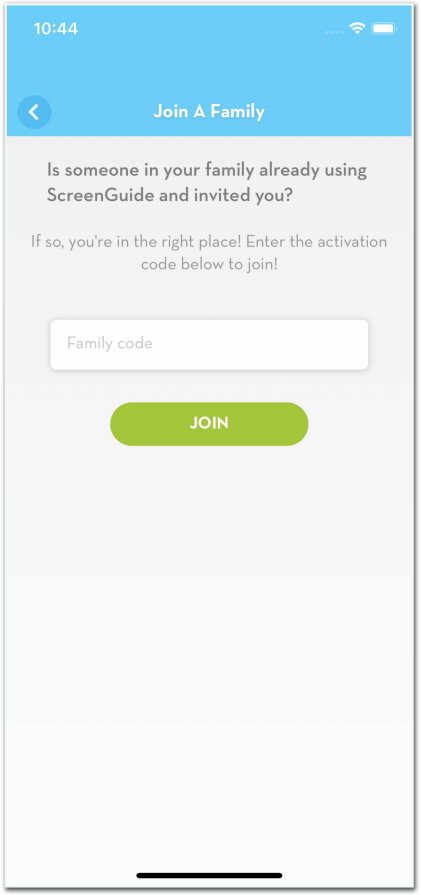
Tap “Guardian” to add a 2nd parent



Enter to unique code generated on 2nd parent's device



First Parent



2nd Parent

How to manage with Screen Guide

Tap “Devices” and tap into the Enrolled device
